Dear Patient,

I am very happy to welcome you to my practice and want you to know that my office is focused on providing you with the highest quality of care.

During your visit, I will discuss with you any gastrointestinal related complaints you may be experiencing. You will have the opportunity to ask questions and schedule any potential endoscopic procedure(s) with the Scheduling Coordinator.

Enclosed you will find the new patient forms for your completion. It is very important that you list all medications you are currently taking; this is to include prescription and non-prescription medication. Please bring the completed forms, your current insurance card, and a photo id with you at the time of your visit. This will minimize your waiting time.

If you find you need to reschedule or cancel your appointment, please call us in advance at (318) 212-8710. If you have any questions please do not hesitate to call my office.

I look forward to meeting you.

Sincerely,

Amit Ahuja, MD
